## JURY SECURED IN VACOS MURDER CASE

Another Motion for Change of Venue  
Denied—Testimony Began  
This Morning.

(Special Correspondence.)  
OGDEN, Jan. 21.—That a strong fight  
is being made by counsel for defense  
in the case of the State of Utah against  
Nick Vacos, charged with murder in the  
first degree, was evidenced Thursday  
afternoon when the motion for a  
change of venue was re-entered. This  
motion was denied, as were the motions  
for a change of judge and for a con-  
tinuance of the case, in the early part  
of the week.

The entire time of the court session  
on Thursday was devoted to complet-  
ing the jury and although there were  
nine accepted jurors on Wednesday  
night, it required all day Thursday to  
secure the additional three men. At  
1 p. m. the jury was completed and  
Dist. Atty. N. J. Harris made his open-  
ing statement. At 1:30 p. m. court ad-  
journed till Friday morning, when the  
hearing of witnesses began. The jury  
impaneled to try the case are as fol-  
lows: William Gale, Joseph Gile, A.  
William Hall, Arthur J. Crane, C. H.  
Martin, Hugh O. McLean, Fred J. Pal-  
mer, W. F. James, William Hunt, C. E.  
Storey, Robert Cowan, Walker Barlow.  
Two of these men, William Gale and  
C. H. Martin, served on the jury which  
acquitted Clarence Ernst last week.

**MUNICIPAL COURT SUSTAINED.**  
OGDEN, Jan. 21.—In handing down  
a decision in the case of the Twentieth  
Century Optical company against the  
Sylvan Park Amusement company,  
Judge J. A. Howell in the district  
court sustained the findings of the mu-  
nicipal court and rendered the plain-  
tiff a decision for the full amount of  
the original judgment, plus 8 per cent  
from date of the first judgment. The  
original suit was for \$111, due for rental  
of films and slides and the municipal  
court rendered a judgment for the full  
amount of the claim.

has been issued to George P. Gates and  
Easter Bilbo, both of Ogden.

### IN THE POLICE COURT.

OGDEN, Jan. 21.—Walter Miner, col-  
ored, was arraigned in police court  
Thursday, charged with petit larceny.  
Testimony showed that Miner, who was  
recently employed as a porter at a  
well known hotel, had stolen a suit of  
clothes and a pair of trousers from a  
guest of the hotel. He claimed that he  
had purchased the suit in Salt Lake  
and that the trousers had been given to  
him. This was proven not to be  
the truth, and Judge Murphy sentenced  
him to 60 days in the city jail.

J. A. Dickson admitted that he had  
been drunk and was sent to jail for  
five days.  
L. P. Dunn was given a suspended  
sentence of 90 days for vagrancy.  
J. A. Olsen, charged with leaving a  
team unattended, was fined \$5.  
The case of John Davis, charged with  
vagrancy, was continued.

### SUIT ON MORTGAGE NOTE.

OGDEN, Jan. 21.—E. J. Richardson,  
John N. Spargo and Fred M. Nye, officers  
of the Sylvan Park Amusement Co.,  
have filed an answer and cross-  
complaint against J. E. Dooly and the  
Sylvan Park Amusement Co. The  
complaint states that Mr. Dooly has  
filed a writ of attachment on the prop-  
erty of the Sylvan Park company and  
they ask for an injunction restraining  
him from this action, because they  
claim to hold a mortgage on the prop-  
erty of the company and a promissory  
note for \$3,000 against their co-defend-  
ants on which \$250 has been paid. They  
ask judgment against the other direc-  
tors of the amusement company in the  
sum of \$2,500 with interest at 8 per  
cent from July, 1908, and attorney fees  
in the sum of \$250.

### TREASURER DEMURS.

OGDEN, Jan. 21.—Alma D. Chambers,  
treasurer of Weber county, has filed a  
demurrer to the complaint recently  
brought by W. D. Brown, receiver of  
the Japanese-American bank, stating  
that the original complaint does not  
show sufficient evidence to warrant  
suit and that Brown failed to comply  
with the state laws relating to the  
relinquishment of taxes.

## PROHIBITION IS STRICTLY ENFORCED

No Liquor on Prescriptions Even—  
Will Go Hard With Violators  
Of Law.

(Special Correspondence.)  
PROVO, Jan. 21.—The Provo City  
prohibition ordinance is very brief and  
strict. It prohibits the manufacture,  
sale and other disposition of intoxicat-  
ing liquor under any and all conditions,  
and the punishment for the violation  
of the law is a fine of not less than \$50  
and not more than \$100, and in addition  
imprisonment not exceeding six months.

It will be seen that liquor cannot be  
obtained even for medicine, on the pre-  
scription of a physician, without violat-  
ing the law. And the druggists have  
entered into a compact not to sell or  
otherwise dispose of any intoxicat-  
ing liquor for a period of 60 days. There  
is a \$1,000 penalty incorporated in the  
agreement which will be collected from  
the druggist who breaks the agree-  
ment. The druggists are staying with  
their agreement and no liquor can be  
obtained from them on a prescription.  
Their object, aside from a laudable  
desire to comply with the law is to  
make it so onerous that public opin-  
ion will demand an amendment making  
it legal to sell liquor on prescriptions,  
and while the city council collectively  
and individually have expressed that  
the spirit of the law would not be vio-  
lated by selling on a physician's pre-  
scriptions, and that no prosecutions  
would follow, the druggists do not pro-  
pose to take any chances where the im-  
position of penalty for violation of the  
ordinance depends upon the favor of  
the council and the executive.

It is thought the ordinance will be  
changed to permit the sale of liquor for  
medical purposes under proper regu-  
lations. Of course by doing this it will  
be easier for any druggist who cares to  
do so, to break the law, and it was  
for the purpose of leaving no possible  
loophole for a violator of the ordinance  
to crawl through that the ordinance  
was made so strict as it is. But it is  
believed the city will have to take this  
added responsibility, if the people are  
expected to continue to support prohibi-  
tion.

### SALOON FOR SANTQUIN.

PROVO, Jan. 21.—The report lately  
sent from here to the effect that Salem  
would in the future be the only  
municipality in the county with saloons  
seems to be a mistake. It is now re-  
ported on good authority, that San-  
tquin, heretofore a dry town as was  
Salem, will soon have two saloons. The  
license fee will be \$800 a year. The  
explanation given for the new depart-  
ure in Santquin is that the town  
needs the money to be derived from  
licensing to pay for conducting its  
municipal affairs.

### MERCHANTS AND BANKERS IN BASKETBALL TOURNAMENT

(Special Correspondence.)  
LOGAN, Jan. 19.—The Merchants'  
Basketball league of this city began  
its playing season last night when the  
bankers and boosters, and the doctors,  
dentists and druggists and the butch-  
ers, grocers and bakers met in match  
games. The contests were held in the  
B. Y. C. gymnasium and while they  
were not up to the standard of the reg-  
ular league games of course, they were  
very interesting. In the first game the  
boosters defeated the bankers by a score  
of 13 to 12, the last point being scored  
within a few seconds of the end of the  
game.

The contest between the butchers,  
grocers and bakers and the doctors,  
dentists and druggists went to the lat-  
ter by a score of 19 to 11. In the first  
half the B. Y. C.'s had the better of  
the game the score being 6 to 4 in their  
favor, but they were overhauled by  
their rivals in the latter half. Coach  
Teetzel of the A. C. refereed the games.

### CEDAR CITY.

**THREE PROMINENT CITIZENS  
ANSWER FINAL SUMMONS**

(Special Correspondence.)  
CEDAR CITY, Utah, Jan. 17.—The  
citizens of Cedar City mourn the recent  
death of three of its beloved inhabit-  
ants.  
The first was Mrs. Sarah J. Cossett,  
who died on Wednesday, Dec. 29, 1909.  
She was a little over 50 years old and  
the mother of 10 children, four of whom  
preceded her to the great beyond. She  
was born in Coventry, Warwickshire,  
England, and came to America, and  
moved to Cedar in the early thirties.  
On Jan. 10, the deaths of Mrs. Ellen  
J. Nelson and Joseph Cossett shocked  
the people.

Mrs. Nelson was born in Sweden,  
Aug. 20, 1835, joined the Church in 1854,  
and in 1856 came to Cedar City, where  
she lived until death called her away.  
She is the mother of eight children,  
five of whom and her husband survive.

On Dec. 21 she fell and broke her rib  
bone, and never in any way recovered.  
Joseph Cossett was born in Glamor-  
ganshire, South Wales, July 29, 1850;  
came to Utah in 1868, and to Cedar in  
1870. He took charge of the Sunday  
school choir in 1870, and the ward choir
